SEEKING PSYCHIATRY

Summary: WVSOM is seeking a full-time, tenure track faculty member in Psychiatry. Candidates should be residency trained and Board Certified or Board Eligible in Psychiatry. Ideally the successful candidate will have clinical and teaching experience. The successful candidate must also be eligible for licensure in the State of West Virginia.

Responsibilities: Primary responsibilities include providing pre and post doctoral education and training to WVSOM students, interns and residents. It is expected that the applicant will spend 50 percent of their time providing clinical care. Academic duties include: coordinating the behavioral medicine and psychiatric curriculum for the first and second year student; developing curriculum, rotational components and evaluation instruments for third and fourth year students. Research is supported and encouraged by not required.

Benefits: Salary and faculty rank will be commensurate with experience. WVSOM offers an excellent benefits package including medical malpractice insurance, educational loan reimbursement, and relocation expenses. We have ultra-modern lecture and laboratory facilities.

Our ambulatory clinic is a state-of-the-art facility serving communities in the greater Greenbrier Valley area and providing care for a population base of approximately 75,000. The clinic specializes in Geriatrics, Geriatric Psychiatry, Family Medicine, Internal Medicine, Pediatrics and Osteopathic Manipulative Medicine. The clinic has 66,000 patients annually.

Our campus is located in Lewisburg, a picturesque community nestled in the Appalachian Mountains. In addition to being named one of America’s Best Small Art Towns, Lewisburg has an array of eclectic restaurants, outdoor activities, antique shops, art galleries and live theater supported by varied local artists and benefactors. The community is also supported with a regional medical center and excellent educational opportunities for students of all ages.
