## SEEKING PEDIATRICIAN

**Summary:** WVSOM is seeking a full-time, tenure track faculty member in Pediatrics. Candidates should be residency trained and Board Certified or Board Eligible in Pediatrics. The successful candidate must also be eligible for licensure in the state of West Virginia.

**Responsibilities:** Primary responsibilities include providing pre and post doctoral education and training to WVSOM students, interns and residents, plus all attendant educational activities, which may include lecturing, assisting with physical diagnosis, physician skills labs and ACLS instruction. It is expected that the successful candidate will spend 50 percent of their time providing clinical care with some of this time being hospital based care.

**Benefits:** This position offers an excellent benefits package including educational loan repayment, fully paid malpractice insurance and relocation expenses. Salary and faculty rank based on experience and training. We also have ultra-modern lecture and laboratory facilities. Our

ambulatory clinic is a state-of-the-art facility serving communities in the greater Greenbrier Valley area and providing care for a population base of approximately 75,000. The clinic specializes in Geriatrics, Geriatric Psychiatry, Family Medicine, Internal Medicine, Pediatrics and Osteopathic Manipulative Medicine. The clinic has 66,000 patients annually.

Our campus is located in Lewisburg, a picturesque community nestled in the Appalachian Mountains. In addition to being named as one of America's Best Small Art Towns, Lewisburg has an array of eclectic restaurants, outdoor activities, antique shops, art galleries and live theater supported by varied local artists and benefactors. The community is also supported with a regional medical center and excellent educational opportunities for students of all ages.
